INVITATION

3rd HAMBURG INTERNATIONAL ARBITRATION DAY

BUCERIUS CENTER FOR INTERNATIONAL DISPUTE RESOLUTION

ARBITRATION IN THE AGE OF TECHNOLOGY

Date: Tuesday, April 9, 2019
Time: 13:30 – 18:30
Venue: Bucerius Law School, Helmut Schmidt Auditorium, Jungiusstraße 6, 20355 Hamburg
Fees: 25 € (waived upon request for students and participants of the CAM-CCBC Pre-Moot Hamburg)

Disruptive developments have shaken economies and question long-standing patterns. Driven by technology and data, industries are ceasing to exist while new ones arise. The 3rd Hamburg International Arbitration Day seeks to shed light on these implications of technology on various aspects of dispute resolution. They range from the "drafting" of dispute resolution clauses over the use of arbitration in connections with new industries and business models to the opportunities and risks of using technology in the context of "traditional" arbitral proceedings.
The Center for International Dispute Resolution at Bucerius Law School, CAM-CCBC, HAC and Rechtsstandort Hamburg e.V. invite you to join the debate on the digital future of arbitration.

The Hamburg International Arbitration Day precedes the **CAM-CCBC Pre-Moot Hamburg** on April 10.
